MINI MONSTER PLANTS

INCLUSIVE SCHOOL HOLIDAY PROGRAM —
ROYAL BOTANIC GARDEN SYDNEY

WHEN: Friday 5 Oct OR Thursday 11 Oct, 10am — 11am

WHERE: The Calyx, Royal Botanic Garden Sydney

How do mini monster plants eat their dinner? What's their favourite food?

Kids will discover all this and more on a creative and fun visit to The Calyx at the Royal Botanic Garden, Sydney. Explore the world of carnivorous plants to find out how they eat their dinner! Create your own mini-bog terrarium with living carnivorous plants to take home. All materials included. **Cost:** \$20.50 per family (\$18.50 for RBG members).

This inclusive activity has been designed to support families of primary school children with additional needs. Siblings welcome!

This activity is delivered in partnership between the Royal Botanic Garden, Sydney and EarlyEd and is supported by the City of Sydney Matching Grants program.

BOOKINGS ESSENTIAL:
